

NEORUG Northeast Ohio Revit User Group

Doesn't matter if your project is Architectural, Structural, Mechanical, Plumbing or Electrical, join us and learn more tips and tricks from this Month's BIM / Revit Presentation.

Building YOUR Revit Knowledge!

AUTODESK

BIM / REVIT BEST PRACTICES AU-LAS VEGAS

For those who design, build, make & create

A Debrief of Autodesk University 2015, Autodesk's annual user group event.

Hear from local Revit users as they share their ideas, methods and best practices – beginners to power users.

Network with industry users and to build BIM/Revit skills in a relaxed and casual environment.

(1) AIA / CEU

Learning Objective 1: Debrief of BIM/Revit good practice suggestion from Autodesk

Learning Objective 2: Share productivity suggestions from BIM/Revit professionals

Learning Objective 3: Discuss BIM/Revit practice experiences from other industry practitioners

When:

Thursday, January 28, 2015

Meet and Greet **5:30 PM**

*We can really benefit from your
Revit tips and tricks!
We would love to have you
share them with us.*

*Please call Tammy Rico
216-429-8638 so we can put your topic on
the Education Schedule.*
